</thead>
</table>

**Direct Supervision:**
- The supervising physician is physically present with the resident and patient.

**Indirect Supervision:**
- With direct supervision immediately available—the supervision physician is physically within the hospital or other site of patient care, and is immediately available to provide Direct Supervision.

**Oversight:**
- The supervision physician is available to provide review of procedures/encounters with feedback provided after care is delivered.

Deferred to the Preliminary Medicine program.

Deferred to the Preliminary Medicine program.

Deferred to the Preliminary Medicine program.

* A faculty physician, other than another resident, is physically present during the key portions of the procedure or is immediately available.
