

Resolution 17-01

Faculty Senate, LSU Health Sciences Center - Shreveport
March 20, 2017

“Fringe Benefits Rate Calculations at Louisiana State University Health Sciences Center – Shreveport: A Request for Publicly Available Information and Transparency”

Whereas the mission of a great university includes the free and open dissemination of knowledge;

Whereas the achievement of this mission requires information to be shared amongst all stakeholders who join in achievement of this mission, including faculty, staff, students, and other trainees;

Whereas the members of the faculty have expressed a desire for the transparency of Fringe Benefits Rate calculations;

Whereas discrepancies have been noted in calculations of terminal leave charges;

Whereas publicly and privately funded universities make their Fringe Benefits Rate calculations publically available;

Therefore be it resolved that the calculations for Fringe Benefits Rates be made available at Louisiana State University Health Sciences Center – Shreveport on an annual basis to all stakeholders.
